

I've noticed it's getting harder and harder to find positive stations to listen to. This is most troubling when I have my son in the car with me. There's no way he is going to listen to a gospel station, he's 14. He DOES listen to Airl. This is the closest most teenagers get to spiritual guidance. If Airl is displaced by an LPFM broadcaster, we will no longer have access to it. There are many of us out there who count on the loving message Airl offers. Please don't deny us the opportunity to choose Airl. Thank you for your consideration in this matter. God bless you.
